Dear Sir,

A Communication mailed from the United States Patent and Trademark Office on October 9, 2010 indicates that certain identified items, for which correction was requested in a Request for Certificate of Correction dated, were found to lack clear support or were not readily available. In response, Applicant wishes to draw the Examiner's attention to support for the identified items, which can be found in the Specification as filed on June 25, 1998 as well as in the Substitute Specification as submitted on September 14, 2004. For convenience, submitted herewith is a copy of the requested Certificate of Correction.

Support for the cited items, which were found to lack clear support or were not readily available, can be found in both the Specification as filed and the Substitute Specification as follows:
